Construction Notification – Hunua Road Footpath Improvements

Kia Ora,

We're getting in touch to let you know that construction on Hunua Road is slated to commence sometime in September or October and will take around 2 to 3 months to complete. The exact date of commencement will be shared by the contractor closer to time.

About the Franklin Paths Programme

The Franklin Paths Programme is a long-term plan to improve how people move around Franklin. It's all about creating better footpaths, trails and cycleways that connect key places – like schools, parks, town centres and bus or train stations.

You can find out more about these improvements and the Franklin Paths Programme on our website: www.franklinpathsandtrails.org

The changes happening near you:

- We are installing a new footpath on the western side of Hunua road, extending to the intersection of Cowan Road and Lockwood Road.
- Formalise the vehicle crossings at **2330 Hunua Road** and **76 Cowan Road** (which connects to Hunua Road)

Benefits to your community:

- Improves safety for everyone to walk and cycle along Hunua Road.
- Completes the walking path on Hunua Road where no footpath currently exists.

A drawing showing the changes has been attached to this letter.

What happens next:

The contractor for this project will contact you with further information closer to date of commencement.

- Noise and dust may be present in and around the construction area.
- Construction may take place between 7:30am and 6:00pm between Monday and Saturday, but the construction team may start setting up from 6:30am
- Access may be limited where work is happening, but the construction team will ensure traffic management is in place to minimise disruptions.
- Any traffic disruptions will be communicated in advance.
- The contractor will send a works notification letter roughly a week prior to starting works on site.
- An onsite construction supervisor will be available for contact any time when construction is happening.
 - Their name and contact details will be provided.

The Franklin Paths Programme team can be reached using the email below for any immediate queries or questions about the project or the wider Franklin Paths Programme

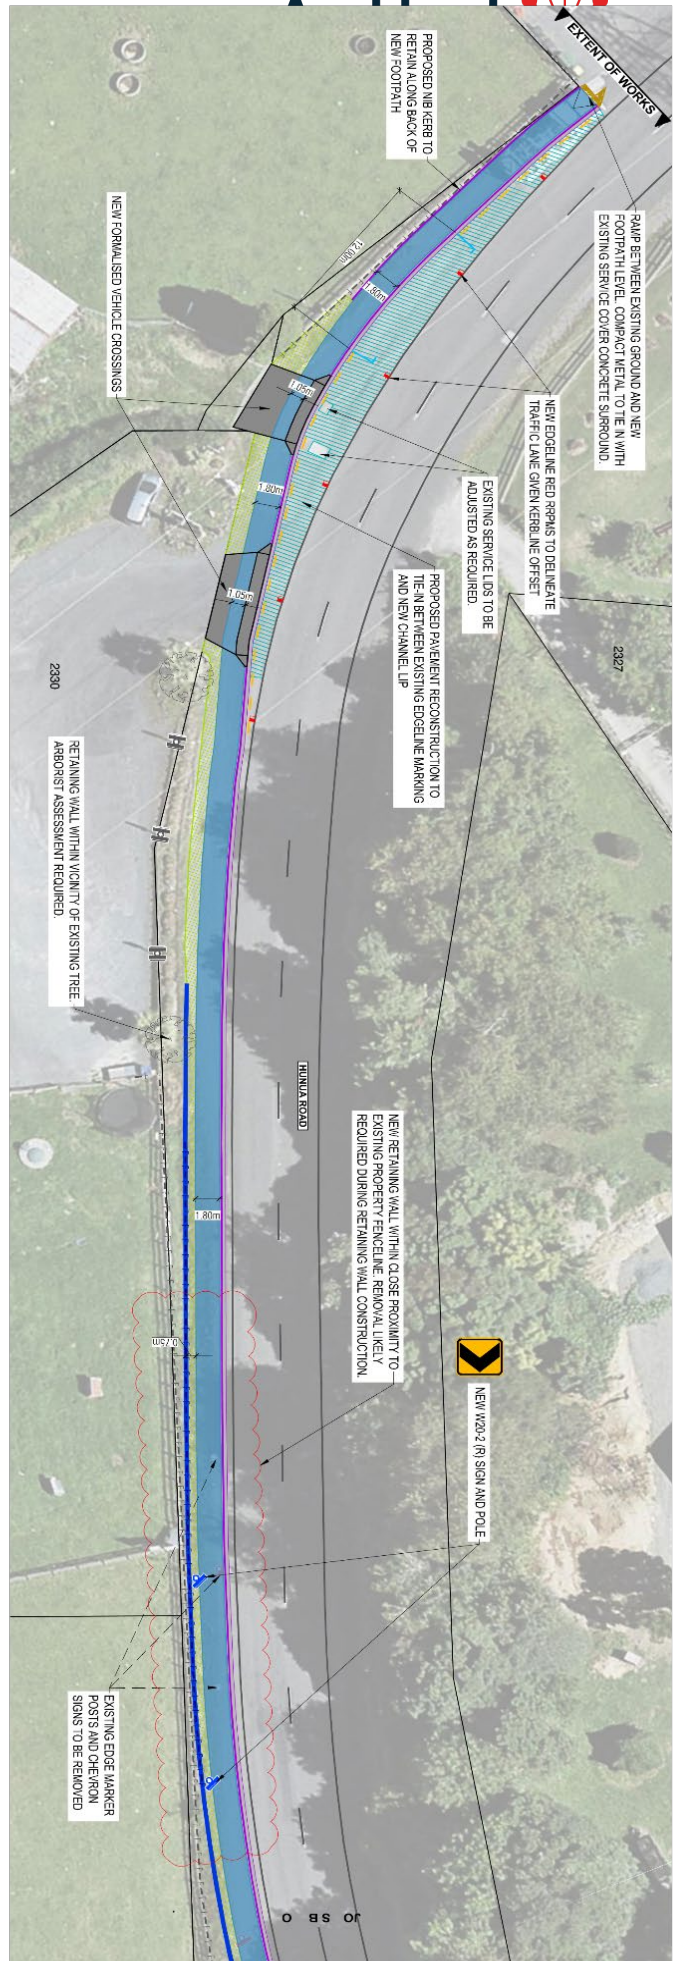

- Email us at franklinpathsandtrails@aucklandcouncil.govt.nz
